#### 2. Changes, etc. in reportable segment

"IFAC, LLC" and "IFAC Investment Limited Liability Partnership" were newly established for the purpose of investing in construction-tech start-ups in and outside Japan. Accordingly, a new reportable segment, "Investment Business" has been added to the conventional three reportable segments of "Architecture System Business," "Surveying/Civil Engineering System Business" and "IT Solutions Business" from the first quarter under review, resulting in four reportable segments.

As no revenues, profits or losses were accrued for the "Investment Business" segment in the first quarter under review, it is not presented in the tables shown above.
